

BE PART OF *Something Amazing*

Stampin' Up! is much more than a company with great papercrafting products. We're also a worldwide community dedicated to gathering with friends as we create cards, scrapbook pages, home décor items and more.

A STAMPIN' UP! DEMONSTRATOR . . .

- Organises parties or workshops
- Helps others earn rewards
- Teaches stamping and papercrafting techniques
- Makes new friends while building their business
- Makes a difference

BENEFITS, BENEFITS, BENEFITS!

As a demonstrator you'll earn **20–25% income** on everything you sell; plus, when you meet certain benchmarks you can also earn commissions on your team members' sales.

*Oh, and did we mention
you can earn an amazing
incentive trip every year?
(Think Thailand, Alaska,
Mediterranean cruises,
and more! And yes, these
trips are really, really fun!)*

GET STARTED NOW!

Starter Kits are a great value at **\$189 for \$285** worth of products, and that includes business supplies and free shipping. And all it takes to remain an active demonstrator is to meet a minimum quarterly sales requirement, which you can often reach in just one or two parties or workshops per month.

With its outstanding products, people and opportunities, we think you'll love partnering with Stampin' Up! So what are you waiting for?

Contact your demonstrator today to get started!
